From your president

Thank you to our neighbors who participated in our annual cleanup. The night before, we worked together to get unwanted large items out to the curbs. On Saturday morning, many volunteers helped load four packer trucks and pick up trash for twelve roll-off dumpsters near overgrown alleys. We joined Love Your Community in the afternoon for lunch, a food drive and many more activities. Now, the task falls on each of us to keep our neighborhood looking great year round. Keep in mind homeowners adjacent to an alley are responsible for cutting weeds and grass from their property line to the middle of the alley.

Great Neighborhood

Our neighborhood received honorable mention as a Best Neighborhood in Kansas for 2018 in "The Journal" published by Kansas Leadership Center (KLC). Chris Green, managing editor of The Journal, said "Great neighborhoods are more than the sum of their property values or the test scores of the nearest elementary school. These places have a distinct look and style. They honor history, but they aren't trapped by it. They comfort residents, sure. But they also challenge them

The neighborhood clean-up was a big success. We want to thank all the neighbors that helped. We want to thank the Friends Freshman, the Friends Girls Volleyball Team, the church teams, and Love Your Community group from Evergreen for helping and the donation of tee shirts for the workers. All could enjoy a hot dog lunch at Evergreen Park. We also want to thank the neighbors for their donations to the clean-up fund. More pictures on next page and back page.

From the editor Dorothy: I plan to continue doing the Delano Dispatch for one more year. I will officially retire from the Delano jobs at 1/1/2020. I have been told that I can no longer be the Treasurer after this year because of the bylaws of the Delano Neighborhood Assoc. The election is this November. I was hoping to continue serving as the Treasurer until I retire in 2020.
